

Monterrey Distribution Center

Parque Industrial STIVA Aeropuerto, Apodaca, Nuevo León, México

Tel: (81) 8145-0069

Fax: (81) 8145-0192

Part of the broadest network of distribution centers across Mexico & North America

Our Monterrey distribution center is located 1 mile from the airport in Nuevo Leon – an excellent location to service Mexico’s northern states. A wide variety of goods can be warehoused in this modern, 88,000-square-foot facility, which is equipped with an alarm system, 24-hour guard service and hydrants and extinguishers. Other capabilities include chemist quality control, NOM labeling, bonded warehouse space, cross docking, and Maquila programs.

The Monterrey facility is one of ten Kuehne + Nagel distribution centers located across Mexico and at the U.S. border and one of 60 Kuehne + Nagel NAFTA DCs. All Mexico facilities apply the strictest quality control standards in a variable-cost environment where customers pay only for the space and services used.

Warehousing services are part of a complete package of integrated logistics services that also includes:

- **International Forwarding and Trade Compliance**
Flexible solutions for sea, air and overland transportation from one of the world’s largest and most experienced freight forwarders.
- **Distribution**
Multi-mode, non-asset-based transportation management service for inbound and outbound domestic shipments.
